Can I bring in outside food or beverages?

Parties can bring in outside food, but no outside beverages. If you bring in outside food, please note you'll need to bring in your own plates, napkins, utensils, etc. For example, if you bring in a cake, bring in your own knife to cut the cake. You'll need to bring cake plates and forks for the cake as well.

We have non-alcoholic beverages available (soda, water, juice boxes, kombucha).

Vigilante Pizza

Vigilante Pizza is located on site here at the Lewis & Clark Tap Room. We encourage folks to order from Vigilante Pizza in advance. [Their catering menu can be found here.](#)

What time can we arrive?

Your room will be available one hour prior to booking time for decorating. Note: we open at 11:30 am daily and no earlier. You are responsible for undecorating as well.

What time do we need to leave?

All groups must depart by closing or within one hour after their rental ends, whichever is first.

POWER ROOM RENTALS:

- If your rental occurs on a night when the Tap Room is charging a cover, your party must stay in the Power Room for the duration of the show. If people are found outside of the room, they will be required to pay a cover charge.

- In addition to the room rental fee, Power Room renters have a minimum spend of \$100 required. This spend includes anything that we sell in the TapRoom. It does not include pizzas. If your \$100 required spend is not met, we will add on an additional room rental cost so that the total is \$100. This \$100 total is subject to the 20% group gratuity charge.
- **The Power Room is on the second floor and there is no elevator.**

If our event is on the same night as a ticketed event do we have to pay for the ticket?

Yes. All customers, regardless if they are with a party will need to pay for a ticket or cover charge if there is one. We have live music almost every Thursday to Saturday.

Attendees of Power Room events do not need tickets/cover charges as long as they remain in their designated room. If guests come in the main area to enjoy the music, they have to pay.

Children

Children can attend but must remain with their parents/guardians at all times. Our number one complaint is unruly children, and we do not allow children to use our tap room like a jungle gym or run around the building.

If an event is booked that is geared toward children, this is in violation of our policies and the group will be asked to leave. This means no children's birthday parties, sports banquets, etc. If you're in doubt, describe your event when booking for clarification.

If there is a Tap Room Music Event that is 21+ the night of a private party, no children will be allowed at the private party. This only happens about a dozen times per year.

Does the room come with a personal bartender?

We will always do our best to make sure each room gets service and will work with them. The answer is technically, no, but you will have a bartender assigned to your space.

Group Tabs

Most people have us give them drink tickets the evening of their event. At the beginning of your event, you will give us the credit card you'd like to use for payment. You will give everyone in your party a set amount of tickets. Then we run a tab the evening of the event as people turn in their tickets. At the end of the evening, this tab will be closed out

with a 20% gratuity. Sodas are \$2/each, Beers are \$5-6, NA Beers are \$6, Kombucha is \$7, Wines are \$8 and Huckleberry Vodka Lemonade is \$8.

Cleaning Up

If you decorate, all your decorations must be taken down upon departure and the room must be picked up with all items in the garbage. You may not decorate with glitter, confetti or balloons with glitter inside of them. Even large glitter is not okay. If you decorate with glitter you will be billed a minimum \$100 cleaning fee. If you need more trash bags or a vacuum cleaner, let our staff know.

Payment/Refunds

Complete payment is due at the time of booking or within 48 hours of booking the room. All bookings are final. We do not offer refunds.

Political Events

We do not host any political events. If you're in doubt, please specify your event purpose and we'll clarify for you.
